

# FAMILY HISTORY

All kinds of information about the settlement of western Allegan County has been written by Henry Hudson Hutchins, son of Harrison Hutchins. LaVerne has posted some of his books on his web site at: <http://www.memorieshop.com/Allegan/Fennville/History.html>. 1st click on Henry's name to view his recollections then click on "Kit Lane" then on the three images to see book contents and who contributed information to the books.

Here is Irwin Hutchins with his family, on a 1942 liberty in Fennville

Elmer was the son of Horace and Lizzetta Hutchins, pictured in photo – right. Elmer is standing behind them with perhaps his sister Ora.

Horace was the 6th child of Alvin and Clois Hutchins.

Alvin was the 3rd child of David and Sally Hutchins. He was the brother of Harrison Hutchins, David's 7th child. It was Harrison Hutchins who settled "Crane's Orchards" as now known, west of Fennville

Hutchins Family Tree, as LaVerne was able to determine in 2007  
 Notice that the name of Elmer, as we all knew it, was Cloyd's middle name.
